

Important Information about

Yearbook Senior Recognition Ads

Parents of GCS Seniors,

The deadline to purchase and design a senior recognition ad for your student in the 2016-2017 yearbook is **Friday, October 1, 2016**. You received a flyer several weeks ago about these recognition ads; additional information follows.

Only a LIMITED NUMBER of pages are available and are sold on a first-come basis.

Instructions:

Go online to **Jostens.com** to pay for and design your ad before the deadline (October 1). When the web page opens, select the tab listed as "Yearbooks." In the "Yearbooks" tab, select "Buy Your Yearbook." You will be prompted to type in and select the school name. When the page opens, on the left side, you will see "Products" and under Products choose "Yearbook Recognition Ads."

Follow the instructions to create your account. You will need digital copies of your photos available to upload and design the ad.

Do **not** send your order to GCS. Call Jostens at (800) 358-0800 if you have questions.

Information about prices and ad sizes is available in the attached flyer.

Please be conscientious of the photos you choose for the ad. All photos should reflect the principles established by Gaston Christian School. Thank you for your help in this matter.

After October 1, 2016 there will not be another chance to purchase an ad for your senior. If you have questions, please contact Becky Abromaitis at babromaitis@gastonchristian.org
