Exams will begin promptly at the scheduled time. Students will not be permitted to enter the classroom once testing has started. If tardy, they will report to the high school office to sign in and then go to the library. Students will need to make up any exams missed due to tardiness or illness on Friday, December 15. Please ensure that your student arrives on time during the exam days.

Juniors do not exempt exams in December; that privilege applies only to the spring exams for juniors who meet both grade and attendance requirements (High School Student/Parent Handbook, section 5.13).

Please encourage your student to study for exams; these assessments are calculated as **20% of the semester average.**

9th graders do not come to school on Friday (12/15) unless they need to make up an exam.

All students should leave school grounds promptly at the end of their last exam.

Dress code: The students are to be in GCHS dress code. Students who report for an exam and who do not meet dress code requirements will be sent to the office.

Thank you for helping to ensure that your student has a successful exam experience.
