

February 23, 2017

Dear GCS Family and Friends,

Gaston Christian School continues to grow and provide opportunities for our students. We couldn't do this without the partnership and support we have with our generous families.

The GCS Booster Club, along with a number of our school families has committed to building an eight lane track. We have just completed the first phase with the asphalt paving as the track base. The next step is to install a rubberized surface on top of the asphalt. This will provide a state of the art surface to be enjoyed by our athletic teams, P.E. classes, Girls on the Run, and all GCS families looking for a place to exercise.

The progress that GCS has made over the past several years to build and develop a strong athletic department keeps us more determined than ever to see this project come to completion. Please join our school family on **Wednesday, April 5 for a Jog-A-Thon**. Our goal is to raise \$50,000 to complete this project. If you are unable to attend, I hope that you will consider sponsoring this effort. Your donation goes directly to fund the completion of the track. All checks should be made payable to Gaston Christian School or you can donate online by visiting <https://99pledges.com/fund/gcsjogatho>

Thank you in advance for your support to fund the GCS track. Each step we take brings us closer to our goal.

Dr. Marc Stout
Head of School

Tom Hawxwell
Athletic Director

Jason Moore
Track/Cross Country Coach
