

3rd-5th Grade

Friday, April 28, 2017 9:00-11:00 am

Soccer Field behind the Gym

3rd-5th Schedule: Field Day Station Rotations will begin on the soccer field promptly at 9:00 am. The high school volunteers will have just arrived. Please allow them to review their instructions and please help them if needed. Please bring this packet with you to field day. It should include these directions, a rotation schedule and map.

Snacks: The snacks, which consist of popcorn and sno-kones, will be served in front of the gym. Please enjoy snacks around the soccer field or in front of the gym on the 3rd-5th side. (Closest to the high school) **If you have a child with allergies that will not be able to eat the snack please send in a suitable alternative.**

*****Please Note: Snacks and Drinks will not be allowed in the gym.*****

Water and First Aid Station: One water bottle per student is usually sufficient. Extra water, cups and the first aid kit will be available at the first aid station and our school nurse will be on campus.

What to Wear: Students should wear their field trip shirts, sunscreen, tennis shoes and possibly a jacket depending on the weather.

Competition, Volunteers and Good Sportsmanship: Each Grade will compete at each station. Score will be kept and one photo of all the winning classes of each grade will be taken together immediately after field day at the First Aid Table. The photo will be proudly displayed in the Elementary hallway until next year.

As always, we are appreciative of our high school volunteers who have generously taken time out of their busy schedules to staff this event! Please remember to thank them. They are the referees of the day. Their decisions stand, and any disrespect to them will not be tolerated! **Please watch and listen at the stations and assist our volunteers if needed.**

We have been working on sportsmanship all year: playing by the rules, taking care of the equipment, encouraging others and respecting those in authority. Please encourage good sportsmanship. **All students should be having fun with many opportunities for success!**
