**Dear GCS Parents,**

As many of you know, this week we will kick-off our Annual Magazine Drive. This year we are going to use the profits from the drive to fund many improvements throughout our school including: iPad carts for kindergarten students, remodeling elementary school bathrooms, Chromebook carts for middle school students and enhanced security for our campus. We will also launch the "Barnabas Fund", a benevolence fund to assist faculty and GCS families with special needs. (More details about the Barnabas Fund are forthcoming.)

If you would like to make a donation in lieu of selling magazines, cookie dough or wrapping paper, your donations will count toward the classroom total rewards but your child will not be eligible for individual prizes.

With your assistance we hope to raise over \$30,000 for this year's initiatives. Because we want to make our school the best it can possibly be, we see this as a wonderful opportunity for you, as parents, to support our school and see a direct benefit for your children.

Thank you in advance for making our Magazine Drive a huge success!
