## WHAT IS WINTERIM?

Winterim is the name we use to describe our mini-semester alternative or authentic educational experiences. Through Winterim offerings, students interact and build relationships with fellow students and faculty in unique settings while participating in a variety of opportunities that meet one or more of the following goals:

- **Educational:** To use travel to strategically expose students to a carefully planned combination of tours, site visits, and hands-on learning opportunities that will enhance their academic learning.
- **Adventure:** To teach the students skills through hands-on adventures and experiences and build and strengthen relationships
- **Leadership Development:** Strategically training and equipping students with leadership skills through experiences in another environment or culture.
- **Service and Mission:** To provide an opportunity for students to physically serve and live amongst people in an impoverished community to primarily be the hands and feet of Jesus.

## REGISTRATION

Registration for all Winterim trips and experiences will begin on the following dates at 8 a.m.

- Seniors – Sept. 3
- Juniors – Sept. 4
- Sophomores – Sept 5
- Freshmen – Sept 6
- **Registration will close by 3:00 PM on Monday, September 9, 2024.**

## SCHEDULE

Winterim is held during the last week of February. Experiences on or near campus are scheduled from 8 a.m. to 3 p.m. Please note a teacher may give specific start and end times for their experience because of time constraints, activities, etc. Off-campus overnight trips have their schedule.

## COSTS

Cost is variable. Students will have the opportunity to choose from a variety of experiences, recognizing, however, that the final listing of course offerings will be dependent upon student registration.

## CREDITS

Every upper school student is required to participate in a Winterim activity and, in doing so, will earn .25 credits (per year) for every year the student is at GCS. Therefore, a current GCS Senior will have .25 credit towards graduation. Current Juniors will have .5 after two years. Sophomores will have .75 after three years. Freshmen will have full credit towards graduation. **The Freshman must choose one “service and mission” activity before graduating.** Winterim grades will be earned on a pass/fail basis and will not be calculated based on the student’s overall GPA. Should a student fail to earn a .25 Winterim credit during any given year, the student will need to make arrangements with the administration to make up the credit. The title Winterim, with a grade of pass and a .25 credit, will appear on the report card each year. The specific experience offered to a student through Winterim may provide material for discussion in a college application essay.

*Please note:* Attending Winterim each year a student is enrolled in the upper school fulfills a graduation requirement.

## ATTENDANCE

Consistent attendance is critical. Absence of more than one day will result in the student being required to make up the hours. Arrangements will be made with the administration. Each absence will be considered on an individual basis and must be approved by the principal.

## REGISTRATION AGREEMENTS

Students and their parents are expected to review the following expectations for all Winterim experiences before registration is confirmed.

- We have read, understand, and will adhere to the policies and requirements communicated in the Winterim packet.
- The information I have provided is accurate and true.
- In addition to organized tours with the group, students may be allowed to explore designated sites in groups of three or more.
- The student has the responsibility and maturity to handle all aspects of the Winterim experience.
- Students are responsible for self-carry any emergency medication. Students taking a scheduled medication during the trip must have the medication documented on the Medication Authorization form. The student and/or a parent must make their trip chaperone aware of any medical conditions and medications that the student may have.
- We understand that the student must abide by the expectations and standards outlined in the Gaston Christian Family Handbook both before and during the trip. These expectations include policies on academics, behavior, and attendance. A student's failure to abide by these policies at any time may affect their ability to go on the trip. The school reserves the right to remove a student from a trip before or during the trip for failing to meet these expectations. If a student is removed from the trip or sent home during the trip, the family is responsible for covering the cost of travel and will not receive a refund.
- Winterim experience leaders will communicate firm deadlines for paperwork and other expectations. We understand that failure to meet these required deadlines may affect the student's ability to go on the trip or experience and may result in us losing any or all of our trip payments.
- For travel, a color copy of the student's photo identification, birth certificate, or passport must be submitted to the trip leader by October 1, 2024. Failure to submit one of these documents by this date may result in the student losing their spot on the trip, and any payments already made may not be refunded.
- For international trips, students and chaperones must have a valid passport that is set to expire at least six months after the final day of travel. (Approximately Jan. 1st, 2025)
- For international trips, I understand that it is my responsibility to obtain a valid, unexpired passport by January 2025, and if I cannot obtain a passport in time to travel on this international trip, I will not receive a refund.
- Parents will receive confirmation of their students' Winterim experience registration and a copy of a financial contract. Signing the financial contract secures the student's position on the final roster. Once the financial contract is signed, the student may not switch to another Winterim experience, and payments will not be refundable.
- By completing the registration form, I acknowledge my commitment to the expectations above. Parent(s) will be required to complete additional paperwork for all Winterim experiences.
- Your signature page will be given to you by the staff in charge of your experience.

## **WINTERIM CONTRACTS AND LIABILITY WAIVER FORM**

Following trip registration, parents will receive a winterim contract and release of liability form via email. Please review the included items below. Signing the form constitutes agreement to the following:

- Payments will be due on the specific dates communicated by the Winterim leader or travel organization.
- We agree to allow our students to travel on the publicized dates of the trip.
- Our students will attend all Winterim meetings in preparation for the trip. Winterim leaders will communicate firm deadlines for paperwork. We understand that failure to meet these required deadlines may affect our student's ability to participate and may result in us losing any or all of our payments.
- We agree to the terms above and understand that our student may not switch to another Winterim experience, and payments are non-refundable.
- Travel Insurance Statement: There are many companies that offer travel/trip insurance if you wish to have that protection. The following companies and many others offer this type of insurance: Zurich, AAA, Chubb, and Allianz. Deadlines for purchasing trip insurance related to Winterim travel vary by carrier.

**\*The following will come from your Winterim Experience Leaders once everyone is signed up for their experience:**

### **AGREEMENT**

We understand that the student must abide by the expectations and standards outlined in the Gaston Christian Family Handbook before and during the trip. The school reserves the right to remove a student from a trip before or during the trip for failing to meet these expectations. If a student is removed from the trip or sent home during the trip, the family is responsible for covering the cost of travel and will not receive a refund. Students are responsible for self-carrying any emergency medication. Students taking a scheduled medication during the trip must have the medication documented on the Medication Authorization form. The student and/or a parent must make their trip chaperone aware of any medical conditions and medications that the student may have.

### **PERMISSION AND RELEASE OF LIABILITY**

I give my permission for my student to participate in the trip indicated above. I understand that although the students will be supervised by a GCS employee, I do assume the risk in my student's participation in the event. I acknowledge that I will not seek to have Gaston Christian School held liable in the event that any accident, injury, loss of property, or any other circumstance or incident occurs during or as a result of my son's/daughter's participation in the field trip. This release of liability includes accident, injury, loss, or damages to the student, as well as to other individuals or property which may result from the student's participation in the event. I hereby release and agree to hold harmless Gaston Christian School, its officials, agents, and employees from any claims arising out of my son's/daughter's participation in the event(s).
