**MINISTER'S STATEMENT
FOR REDUCED TUITION CONSIDERATION**

Reduced tuition is available to all ordained ministers who qualify according to the following criteria, regardless of race, color, national, and ethnic origin.

I, _____, an ordained minister, do hereby make this statement, having read the following requirements to be considered eligible for reduced tuition.

1. I am the ordained minister of and am employed by _____, which is an organized (chartered) church.
2. I am currently residing with my family.
3. At least 75% of my household's taxable income is derived from church employment.
4. I have read and do fully agree with and adhere to Gaston Christian School's Statement of Faith.
5. I understand the Board will have to consider my eligibility, which may involve a personal interview with the Board.
6. I understand only one type of discount may be applied to tuition. That is, if a family qualifies for minister's discount as well as multiple child discounts or staff discounts only the greater of these discounts will be applied. However, I may apply for tuition assistance based on discounted tuition.
7. I understand tuition discounts apply only to students in grades K-12.
8. I understand the requirements for tuition reduction are subject to change at the Board's discretion without my consent.
9. I understand the Board may grant or deny my consideration for tuition reduction as it sees fit.
10. I have an excellent credit rating in all my financial obligations.

I, the undersigned, have read and agree to the above and do hereby request tuition reduction consideration.
